This document is shared with people engaged in personal data processing, pursuant to tasks performed in this regard.

**Dear Sir/Madam,**

Pursuant to Article 13 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC henceforth General Data Protection Regulation, we hereby inform that:

1. Greater Poland Cancer Centre, with its registered seat in 61-866 Poznań, 15 Garbary Street, is the administrator of your personal data. Garbary 15.
2. In all matters connected with data processing and your data protection you may contact Personal Data Inspector accessible at daneosobowe@wco.pl
3. Your personal data is processed by the Administrator in order to protect the facility and entity and to ensure safety on the premises of the Greater Poland Cancer Centre (in the meaning of its headquarters and its branches).
4. Your personal data in the scope of image and registration plates is processed according to Article 6 (1)(f) of General Data Protection Regulation (legitimate interest of the Administrator) in order to protect the facility and to ensure safety on the premises of Greater Poland Cancer Centre and according to article 22 (1) of the Law of 26 June 1974 - The Labor Code in order to keep secret information, the disclosure of which could expose the employer to damage.
5. The Administrator takes responsibility for data confidentiality. However, due to the need to fulfil the processing or ensuring proper organisation of work it may disclose data to the following data recipients with which it has concluded separate contracts for the provision of services; entities providing technical and IT solutions, entities providing security and property services, entities controlling or other entities authorised on the basis of provisions of the law.
6. Your personal data will be stored for no longer than 3 months from the date of recording. In the event that the image recordings constitute evidence in the legal proceedings or the Administrator has learned that they may constitute evidence in the proceedings, the limit shall be extended until the final conclusion of the proceedings. After the above-mentioned periods have elapsed, the image recordings obtained as a result of the monitoring containing personal data shall be destroyed, unless separate regulations state otherwise.
7. The processing of personal data using the video monitoring system includes: entry roads to the Administrator's facilities, the external area around the GPCC, parking spaces at the GPCC, entrances/exits as well as part of the area inside the hospital buildings and its centres.
8. You have the right to: access your data, rectify it, object it, delete it after meeting the conditions of article 17 of GDPR, limit processing after meeting the article 18 of GDPR, the right to transfer the
