Information Obligation Clause - Processing of students personal data related to prevention, counteraction, and combat against COVID-19 at the Greater Poland Cancer Centre

Notice:

The hereby document belongs to M. Sklodowska-Curie's Greater Poland Cancer Centre in Poznan. All rights reserved. Any changes made to this document are prohibited as well as copying and dissemination without publisher's consent. This document is shared with people engaged in personal data processing, pursuant to tasks performed in this regard.

Dear Sir/Madam,

Pursuant to article 13 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of the European Union of 27 April 2016 on the protection on natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation) henceforth GDPR, we hereby inform that:

1. The Greater Poland Cancer Centre, with its registered seat in 61-866 Poznan 15 Garbary Street is the administrator of your personal data.
2. In all matters connected with data processing and your data protection you may contact Personal Data Inspector at daneosobowe@wco.pl
3. We process your personal data in the scope of such data as: first name and surname, index number, date and time of internships/ classes, unit conducting classes/ internships, first name and surname of the internship/class supervisor, phone number to the internship/class supervisor and data concerning health.
4. Your personal data is processed by the Administrator in order to conduct classes with students on the premises of the Greater Poland Cancer Centre during the COVID-19 pandemic.
5. Your personal data is processed by the Administrator, being a medical entity, in order to ensure proper conditions for the implementation of health services and to conduct classes at the Greater Poland Cancer Centre pursuant to article 6 (1)(c) (Administrator's legal obligation) in connection with article 6 (1)(d) (protection of vital interests) and article 9 (2)(i) (public interest in the field of public health) GDPR.
6. Providing your personal data is fully voluntary, however, in case of not providing it you will not be able to enter the Greater Poland Cancer Centre.
7. You have the right to: access your data, rectify it, object it, delete it after meeting the conditions of article 17 of GDPR, limit processing after meeting the article 18 of GDPR, the right to transfer the data to another administrator, or if the processing is based on a consent then the right to withdraw the consent at any time without affecting the lawfulness of processing based on consent before its withdrawal. If you wish to exercise the above rights, please send an e-mail at daneosobowe@wco.pl
8. You also have the right to lodge a complaint to the Supervisory Authority, when you deem that the personal data processing violates the GDPR.
9. The Greater Poland Cancer Centre, in its capacity as an Administrator, takes care of data confidentiality. However, due to necessity to fulfil the processing or ensuring proper organisation of work, i.e., taking measurements or securing the data processing, the Administrator may disclose the data to entities with which it has concluded separate contracts for the provision of services; entities providing technical and IT solutions, entities providing security and property services, entities controlling or other entities authorised on the basis of provisions of the law.
10. Your personal data is not subject to automated decision making, including profiling.

	Data Protection Supervisor (DPS)	

11. Your personal data is not transferred to a Third Country/ international organisation i.e., outside the European Union.
12. Your data will be stored for 30 days and then destroyed in a way that prevents from being read by unauthorized persons.

*Profiling means any form of automated personal data processing, which consists of the use of personal data to evaluate some personal factors of a natural person, in particular to analyse or forecast aspects relating to the work of that natural person, his/her economic situation, health, personal preferences, credibility, behaviour, location, or movement.
