

Price list for medical services	
ENDOSCOPY UNIT	
Procedure	price from 1 July 2026
oesophagoscopy using a gastroscope	420,00 zł
oesophagoscopy using a gastroscope with biopsy	590,00 zł
incision of an oesophageal scar	6 600,00 zł
incision of oesophageal stricture	6 600,00 zł
thermoablation of intestinal metaplasia in the oesophagus using the APC method	2 040,00 zł
thermoablation of intestinal metaplasia in the oesophagus using the HybridAPC method	6 780,00 zł
thermoablation of intestinal metaplasia in the oesophagus using the RFA-Halo method	20 520,00 zł
removal of oesophageal lesions using an electric loop	2 280,00 zł
destruction of oesophageal lesions using the APC method	2 040,00 zł
destruction of oesophageal lesions using the HybridAPC method	6 780,00 zł
destruction of oesophageal lesions using the coagulation method (Coagasper)	3 260,00 zł
removal of oesophageal lesions using mucosectomy (dual knife)	7 360,00 zł
removal of oesophageal lesions using the ESD method	26 880,00 zł
removal of oesophageal lesions using the EMR method	10 080,00 zł
control of oesophageal bleeding – clip	4 980,00 zł
haemostasis of oesophageal bleeding – rubber band/endoloop	4 980,00 zł
haemostasis of oesophageal bleeding – APC	4 980,00 zł
haemostasis of oesophageal bleeding – coagulation	4 980,00 zł
control of oesophageal bleeding – injection	4 980,00 zł
oesophageal dilation using a balloon dilator	6 060,00 zł
oesophageal stenting with a self-expanding metal stent	28 220,00 zł
removal of an oesophageal stent	1 770,00 zł
recanalisation of an oesophageal stent using the APC method	2 040,00 zł
placement of a guide wire for brachytherapy in oesophageal cancer	3 360,00 zł
obliteration of oesophageal varices – ligation	6 060,00 zł
obliteration of oesophageal varices – injection	6 060,00 zł
placement of an Endovac device in the oesophagus	3 630,00 zł
removal of an Endovac device from the oesophagus	780,00 zł
oesophageal recanalisation using a waterjet and/or rat tooth	575,00 zł
transmucosal endoscopic myotomy for Zenker's diverticulum	15 630,00 zł
marking the margins of an oesophageal tumour	1 380,00 zł
removal of another foreign body from the oesophagus	780,00 zł
diagnostic gastroscopy	500,00 zł
diagnostic gastroscopy with urease test	590,00 zł

ENDOSCOPY UNIT

Procedure	price from 1 July 2026
diagnostic gastroscopy with biopsy	700,00 zł
marking the margins of a tumour in the stomach	1 380,00 zł
gastroscopic polypectomy using forceps	2 550,00 zł
endoscopic polypectomy using an electric loop	2 400,00 zł
endoscopic polypectomy using the endoscopic mucosal resection (EMR) method	10 080,00 zł
gastric dilation using a balloon dilator	6 320,00 zł
stopping gastric bleeding – clip	4 980,00 zł
control of gastric bleeding – rubber band/endoloop	4 980,00 zł
control of gastric bleeding – APC	4 980,00 zł
control of gastric bleeding – coagulation	4 980,00 zł
stopping gastric bleeding – injection	4 980,00 zł
thermoablation of intestinal metaplasia in the stomach using the APC method	2 040,00 zł
removal of gastric lesions using an electric loop	2 280,00 zł
destruction of gastric lesions using the APC method	2 040,00 zł
destruction of gastric lesions using the HybridAPC method	6 780,00 zł
destruction of gastric lesions using the coagulation method (Coagasper)	3 260,00 zł
removal of gastric lesions using the mucosectomy method (dual knife)	7 360,00 zł
removal of gastric lesions using the ESD method	26 880,00 zł
removal of a drain from the gastric stump	480,00 zł
placement of an Endovac in the stomach	3 630,00 zł
removal of an Endovac from the stomach	780,00 zł
removal of gastric lesions using the EMR technique	10 080,00 zł
creation of a fistula and insertion of a PEG	2 645,00 zł
insertion of a new PEG tube	5 640,00 zł
removal of a worn-out PEG tube	370,00 zł
sealing the internal opening of the gastrostomy	2 120,00 zł
closure of a feeding gastrostomy without using an OTSC kit	270,00 zł
closure of a feeding gastrostomy using an OTSC kit	10 140,00 zł
insertion of a Flocare feeding tube	615,00 zł
removal of a Flocare feeding tube	570,00 zł
EUS	5 000,00 zł
EUS with biopsy	6 500,00 zł
duodenoscopy using a gastroscope	550,00 zł
duodenoscopy using a gastroscope with biopsy	800,00 zł
removal of duodenal lesion(s) using the ESD method	26 880,00 zł
duodenal incision	6 560,00 zł

ENDOSCOPY UNIT

Procedure	price from 1 July 2026
duodenal stenting with a self-expanding metal stent	28 250,00 zł
removal of a duodenal stent	1 760,00 zł
haemostasis of small bowel bleeding – clip	4 980,00 zł
haemorrhage control in the small intestine – rubber band/endoloop	4 980,00 zł
control of small bowel haemorrhage – APC	4 980,00 zł
control of small bowel haemorrhage – coagulation	4 980,00 zł
control of small bowel haemorrhage – injection	4 980,00 zł
dilatation of the small intestine using a dilatation balloon	6 320,00 zł
diagnostic colonoscopy	1 140,00 zł
diagnostic colonoscopy with biopsy	1 300,00 zł
diagnostic colonoscopy via a stoma	1 140,00 zł
diagnostic colonoscopy via a stoma with biopsy	1 280,00 zł
marking the margins of a tumour in the large bowel	1 800,00 zł
colonoscopic polypectomy using forceps	350,00 zł
colonoscopic polypectomy using a 'cold' loop	2 525,00 zł
colonoscopic polypectomy using an electric loop	2 525,00 zł
colonoscopic polypectomy using the endoscopic mucosal resection (EMR) method	10 080,00 zł
incision of a lesion in the large bowel	7 085,00 zł
removal of lesions in the large bowel or rectum using an electric loop	2 545,00 zł
destruction of lesions in the large bowel or rectum using the APC method	1 805,00 zł
destruction of lesions in the large bowel or rectum using the HybridAPC method	6 540,00 zł
destruction of lesions in the large bowel or rectum using the coagulation method (Coagasper)	3 030,00 zł
removal of lesions in the large bowel or rectum using the mucosectomy method (dual knife)	7 490,00 zł
removal of lesions in the large intestine or rectum using the ESD method	26 880,00 zł
removal of lesions in the large intestine/rectum using the FTRD method	26 880,00 zł
removal of lesions in the large intestine/rectum using the EMR method	10 080,00 zł
haemostasis of bleeding from the large intestine/rectum – clip	4 980,00 zł
haemostasis of the large bowel/rectum – rubber band/endoloop	4 980,00 zł
haemostasis of bleeding from the large bowel/rectum – APC	4 980,00 zł
haemostasis of bleeding from the large bowel/rectum – coagulation (Coagasper)	4 980,00 zł
haemostasis of bleeding from the large bowel/rectum – injection	4 980,00 zł
dilating the large bowel with a dilation balloon	4 980,00 zł
colonic replacement with a self-expanding metal prosthesis	33 600,00 zł
removal of a colonic prosthesis	1 950,00 zł
placement of an Endovac in the large bowel	3 660,00 zł
removal of an Endovac from the large bowel	605,00 zł

ENDOSCOPY UNIT

Procedure	price from 1 July 2026
repair of a perforation in the large bowel using OTSC	8 120,00 zł
rectoscopy	340,00 zł
rectoscopy with biopsy	450,00 zł
dilatation of the rectum using a balloon dilator	4 200,00 zł
incision and dilation of a rectal anastomosis	10 440,00 zł
placement of an Endovac in the rectum	3 400,00 zł
removal of an Endovac from the rectum	505,00 zł
placement of an OTSC in the rectum	8 010,00 zł
destruction of a lesion in the rectum/anus using the APC method	1 860,00 zł
destruction of rectal/anal lesions using the HybridAPC method	6 546,00 zł
destruction of rectal/anal lesions using the coagulation method (Coagasper)	3 030,00 zł
removal of rectal/anal lesion(s) using the mucosectomy method (dual knife)	7 490,00 zł
removal of rectal/anal lesions using the ESD method	26 880,00 zł
removal of rectal/anal lesions using the FTRD method	1 370,00 zł
removal of rectal/anal lesions using the EMR method	10 080,00 zł
haemostasis of rectal/anal bleeding – clip	4 980,00 zł
haemostasis of rectal/anal bleeding – rubber band/endoloop	4 980,00 zł
haemostasis of rectal/anal bleeding – APC	4 980,00 zł
haemostasis of rectal/anal bleeding – coagulation (Coagasper)	4 980,00 zł
haemostasis of rectal/anal bleeding – injection	4 980,00 zł
marking the margins of a tumour in the rectum	1 380,00 zł
closure of a rectal fistula	2 015,00 zł
destruction of an anal lesion using the APC method	1 805,00 zł
destruction of anal lesions using the HybridAPC method	6 540,00 zł
destruction of anal lesions using the coagulation method (Coagasper)	3 030,00 zł
removal of anal lesion(s) using the mucosectomy method (dual knife)	7 500,00 zł
removal of anal lesion(s) using the ESD method	26 880,00 zł
removal of anal lesion(s) using the FTRD method	17 500,00 zł
removal of anal lesions using the EMR method	10 080,00 zł
control of rectal bleeding – clip	4 980,00 zł
control of rectal bleeding – rubber band ligation/endoloop	4 980,00 zł
rectal haemorrhage control – APC	4 980,00 zł
stopping rectal bleeding – coagulation (Coagasper)	4 980,00 zł
stopping rectal bleeding – injection	4 980,00 zł
anal sphincterotomy	7 080,00 zł
intravenous anaesthesia for endoscopic procedures lasting up to 30 minutes	810,00 zł
intravenous anaesthesia for endoscopic procedures lasting over 30 minutes	1 300,00 zł
