# **Price list for medical services**

Procedure	price as of the 1st of April 2024
esophagoscopy with gastroscope	270,00 zł
esophagoscopy with gastroscopy and specimen collection	490,00 zł
esophageal scar incision	5 500,00 zł
esophageal stricture incision	5 500,00 zł
APC thermoablation of intestinal metaplasia in the esophagus	1 700,00 zł
HybridAPC thermoablation of intestinal metaplasia in the esophagus	5 650,00 zł
thermoablation of intestinal metaplasia in the esophagus by RFA-Halo method	17 100,00 zł
removal of esophageal lesion(s) using an electric loop	1 900,00 zł
destruction of esophageal lesion(s) by APC method	1 700,00 zł
destruction of esophageal lesion(s) by HybridAPC method	5 650,00 zł
destruction of esophageal lesion(s) by coagulation (coagasper)	2 715,00 zł
removal of esophageal lesion(s) by mucosectomy (dual knife)	6 130,00 zł
removal of esophageal lesion(s) by ESD method	22 400,00 zł
removal of esophageal lesion(s) by EMR method	8 400,00 zł
stopping esophageal bleeding - clip	4 150,00 zł
stopping esophageal bleeding - rubber band/endoloop	4 150,00 zł
stopping esophageal bleeding - APC	4 150,00 zł
stopping esophageal bleeding - coagulation	4 150,00 zł
stopping esophageal bleeding - injections	4 150,00 zł
expansion of the esophagus with a dilatation balloon	5 050,00 zł
prosthesis of the esophagus with a self-expanding metal prosthesis	23 520,00 zł
removal of esophageal prosthesis	1 470,00 zł
APC esophageal prosthesis unblocking	1 700,00 zł
placement of a guidewire for brachytherapy in esophageal cancer	2 800,00 zł
obliteration of esophageal varices - banding	5 050,00 zł
obliteration of esophageal varices - injections	5 050,00 zł
endovac placement in the esophagus	3 025,00 zł
endovac removal from the esophagus	650,00 zł
unblocking of the esophagus using waterjet and/or rat tooth forceps	480,00 zł
transoral submucosal endoscopic myotomy of Zenker's diverticulum	13 025,00 zł
the tattooing of tumour borders in the esophagus	1 150,00 zł
removal of another foreign body from the esophagus	650,00 zł
diagnostic gastroscopy	305,00 zł
diagnostic gastroscopy with urease test	490,00 zł

Procedure  diagnostic gastroscopy with biopsy feet attooing of the borders of the tumour in the stomach gastroscopic polypectormy with forceps gastroscopic polypectormy with forceps gastroscopic polypectormy with an electric loop gastroscopic polypectormy with an electric loop gastroscopic polypectormy by loop mucosectomy (EMR) stomach expansion with a dilatation balloon stopping stomach biseding - clip stopping stomach biseding - clip stopping stomach biseding - nubber band/endoloop stopping stomach biseding - nubber band/endoloop stopping stomach biseding - coagulation stopping stomach biseding - coagulation stopping stomach biseding - coagulation stopping stomach biseding - specification stopping stomach biseding - specification stopping stomach biseding - linjections stopping stomach biseding - placetions stopping stomach biseding - placetions stopping stomach biseding - specification stopping stomach biseding - specification stopping stomach lesion(s) using an electric loop destruction of intestinal metaplasia in the stomach by APC method 1700.00 zl destruction of stomach lesion(s) by APC method 20 destruction of stomach lesion(s) by HybridAPC method destruction of stomach lesion(s) by by bydridAPC method destruction of stomach lesion(s) by coagulation (coagasper) 22 720.00 zl destruction of stomach lesion(s) by specification destruction of stomach lesion(s) by by specification destruction of stomach lesion(s) by ESD method 22 400.00 zl removal of the drain from the stomach removal of stomach lesion(s) by ESD method 22 400.00 zl removal of stomach lesion(s) by EMR method 8 400.00 zl removal of stomach lesion(s) by EMR method 22 400.00 zl removal of the used PEG probe 22 500.00 zl removal of the used PEG probe 23 500.00 zl removal of the used PEG probe 24 500.00 zl removal of a nutritional gastrostomy without the use of an OTSC kit 25 500 zl removal of a nutritional gastrostomy without the use of an OTSC kit 25 500 zl removal of doudenum lesion(s) by ESD method 26 500 zl removal of doudenum lesion(s) by ESD	ENDOSCOPT LAB		
the tattooing of the borders of the tumour in the stomach gastroscopic polypectomy with forceps 2 130,00 zl gastroscopic polypectomy with an electric loop gastroscopic polypectomy by loop mucosectomy (EMR) 8 400,00 zl stomach expansion with a dilatation balloon 5 265,00 zl stopping stomach bleeding - clip stopping stomach bleeding - rubber band/endoloop 4 150,00 zl stopping stomach bleeding - rubber band/endoloop 4 150,00 zl stopping stomach bleeding - coagulation 4 150,00 zl stopping stomach bleeding - injections 4 150,00 zl stopping stomach bleeding - injections 4 150,00 zl stopping stomach bleeding - lipications 4 150,00 zl stopping stomach leesion(s) by APC method 7 1700,00 zl destruction of stomach lesion(s) by HybridAPC method 7 1700,00 zl destruction of stomach lesion(s) by coagulation (coagasper) 7 2720,00 zl destruction of stomach lesion(s) by coagulation 8 135,00 zl destruction of stomach lesion(s) by coagulation 9 1 3 2 2 2 0 2 2 2 2 2 2 2 2 2 2 2 2 2 2 2	Procedure	-

stopping large intestine/rectal - injections  expansion of the large intestine with a dilatation balloon  prosthesis of the large intestine with a self-expanding metal prosthesis  removal of large intestine prosthesis  endovac placement in the large intestine  endovac removal from the large intestine  505,00 zł  removal of perforations in the large intestine with OTSC  6 765,00 zł			
expansion of the large intestine with a dilatation balloon  4 150,00 zł  prosthesis of the large intestine with a self-expanding metal prosthesis  28 000,00 zł  removal of large intestine prosthesis  1 625,00 zł  endovac placement in the large intestine  3 050,00 zł  endovac removal from the large intestine  505,00 zł  removal of perforations in the large intestine with OTSC  6 765,00 zł	stopping large intestine/rectal bleeding - coagulation (coagasper)		
prosthesis of the large intestine with a self-expanding metal prosthesis  28 000,00 zł removal of large intestine prosthesis  1 625,00 zł endovac placement in the large intestine  3 050,00 zł endovac removal from the large intestine  505,00 zł removal of perforations in the large intestine with OTSC  6 765,00 zł	stopping large intestine/rectal - injections	4 150,00 zł	
removal of large intestine prosthesis  1 625,00 zł endovac placement in the large intestine 3 050,00 zł endovac removal from the large intestine 505,00 zł removal of perforations in the large intestine with OTSC 6 765,00 zł	expansion of the large intestine with a dilatation balloon	4 150,00 zł	
endovac placement in the large intestine  endovac removal from the large intestine  505,00 zł removal of perforations in the large intestine with OTSC  6 765,00 zł	prosthesis of the large intestine with a self-expanding metal prosthesis	28 000,00 zł	
endovac removal from the large intestine 505,00 zł removal of perforations in the large intestine with OTSC 6 765,00 zł	removal of large intestine prosthesis	1 625,00 zł	
removal of perforations in the large intestine with OTSC 6 765,00 zł	endovac placement in the large intestine	3 050,00 zł	
	endovac removal from the large intestine	505,00 zł	
rectoscopy 225,00 zł	removal of perforations in the large intestine with OTSC	6 765,00 zł	
	rectoscopy	225,00 zł	

<u>ENDOGGET END</u>		
Procedure	price as of the 1st of April 2024	
rectoscopy with biopsy	330,00 zł	
expansion of the rectum with a dilatation balloon	3 500,00 zł	
incision and widening of rectal anastomosis	8 700,00 zł	
placement of endovac in the rectum	2 835,00 zł	
removal of endovac from the rectum	420,00 zł	
placement of OTSC in the rectum	6 675,00 zł	
destruction of the rectal/anal lesion(s) using the APC method	1 550,00 zł	
destruction of the rectal/anal lesion(s) using the HybridAPC method	5 455,00 zł	
destruction of rectal/perianal lesion(s) by coagulation (coagasper)	2 525,00 zł	
removal of rectal lesion(s) by mucosectomy (dual knife)	6 240,00 zł	
removal of rectal lesion(s) by ESD method	22 400,00 zł	
removal of rectal lesion(s) by FTRD method	1 140,00 zł	
removal of rectal lesion(s) by EMR method	8 400,00 zł	
stopping rectal/anal bleeding - clip	4 150,00 zł	
stopping rectal/anal bleeding - rubber band/endoloop	4 150,00 zł	
stopping rectal/anal bleeding - APC	4 150,00 zł	
stopping rectal/anal bleeding - coagulation (coagasper)	4 150,00 zł	
stopping rectal/anal bleeding - injections	4 150,00 zł	
the tattooing of tumour borders in the rectum	1 150,00 zł	
closure of a rectal fistula	1 680,00 zł	
destruction of anal lesion(s) by APC	1 505,00 zł	
destruction of anal lesion(s) by HybridAPC	5 450,00 zł	
destruction of anal lesion(s) by coagulation (coagasper)	2 525,00 zł	
destruction of anal lesion(s) by mucosectomy (dual knife)	6 250,00 zł	
removal of anal lesion(s) by ESD method	22 400,00 zł	
removal of anal lesion(s) by FTRD method	14 580,00 zł	
removal of anal lesion(s) by EMR method	8 400,00 zł	
stopping rectal bleeding - clip	4 150,00 zł	
stopping rectal bleeding - rubber band/endoloop	4 150,00 zł	
taming rectal bleeding - APC	4 150,00 zł	
taming rectal bleeding - coagulation (coagasper)	4 150,00 zł	
taming rectal bleeding - injections	4 150,00 zł	
anal sphincter incision	5 900,00 zł	
IV anaesthesia for endoscopic procedures for up to 30 minutes	675,00 zł	
IV anaesthesia for endoscopic procedures over 30 minutes	1 000,00 zł
