## **Price list for medical services**

## **RADIOLOGY DEPARTMENT**

Procedure	price as of the 1st of April 2024
posterior-anterior and lateral chest X-ray examination	75,00 zł
chest radiograph	75,00 zł
bedside chest X-ray examination	75,00 zł
anteroposterior and lateral skull X-ray examination	75,00 zł
anteroposterior mandibular X-ray examination	75,00 zł
left lateral mandibular X-ray examination	75,00 zł
right lateral mandibular X-ray examination	75,00 zł
craniofacial X-ray examination	75,00 zł
nasal sinuses X-ray examination	75,00 zł
anteroposterior and lateral tracheal X-ray examination	75,00 zł
X-ray examination of the spine in the cervical region	75,00 zł
oblique spine X-ray examination (in the cervical section)	75,00 zł
X-ray examination of the thoracic spine	75,00 zł
oblique spine (thoracic) X-ray examination	75,00 zł
lumbosacral spine X-ray examination	75,00 zł
oblique spine X-ray examination (in the lumbosacral region)	75,00 zł
X-ray examination of the left scapula	75,00 zł
X-ray examination of the right scapula	75,00 zł
X-ray examination of the left collarbone	75,00 zł
X-ray examination of the right collarbone	75,00 zł
X-ray examination of the sternum	75,00 zł
X-ray examination of the ribs - left side	75,00 zł
X-ray examination of the ribs - right side	75,00 zł
X-ray examination of the left humerus	75,00 zł
X-ray examination of the right humerus	75,00 zł
X-ray examination of the left forearm bone	75,00 zł
X-ray examination of the right forearm bone	75,00 zł
X-ray examination of the left wrist bone	75,00 zł
X-ray examination of the right wrist bone	75,00 zł
X-ray examination of left hand bones	75,00 zł
X-ray examination of right hand bones	75,00 zł
X-ray examination of the left femur	75,00 zł
X-ray examination of the right femur	75,00 zł

## RADIOLOGY DEPARTMENT

April 2024	NADIOLOGI DEFANIMENT		
X-ray examination of right shin bone         75,00 g           X-ray examination of the left foot bone         75,00 g           X-ray examination of the right foot bone         75,00 g           X-ray examination of the left shoulder joint         75,00 g           X-ray examination of the right shoulder joint         75,00 g           X-ray examination of the left elbow joint         75,00 g           X-ray examination of the right elbow joint         75,00 g           X-ray examination of the sacrolilac joints         75,00 g           X-ray examination of the left hip joint         75,00 g           X-ray examination of the knee joints (both)         75,00 g           X-ray examination of the knee joint (both)         75,00 g           X-ray examination of the left knee joint         75,00 g           X-ray examination of the right knee joint         75,00 g           X-ray examination of the left ankle joint         75,00 g           X-ray examination of the right ankle joint         75,00 g           X-ray examination of the pelvic bones         75,00 g           contrast study of the esophagus         225,00 g           abdominal review X-ray examination         75,00 g           examination of the upper gastrointestinal tract         315,00 g           small intestine passage         685,00 g	Procedure	price as of the 1st of April 2024
