

Medical services price list

RADIOLOGY LABORATORY

procedure	prices as of 10th Oct 2022
posterior-anterior and lateral chest radiographs	66,00 PLN
chest scopy	66,00 PLN
bedside chest radiograph	83,00 PLN
posterior-anterior and lateral skull radiographs	66,00 PLN
posterior-anterior jaw radiograph	66,00 PLN
left lateral jaw radiograph	66,00 PLN
right lateral jaw radiograph	66,00 PLN
cranio-facial radiograph	66,00 PLN
nasal sinus radiograph	66,00 PLN
posterior-anterior and lateral trachea radiographs	66,00 PLN
radiograph of the cervical spine	66,00 PLN
oblique spine radiograph (cervical)	66,00 PLN
thoracic spine radiograph	66,00 PLN
oblique spine radiograph (thoracic)	66,00 PLN
lumbosacral spine radiograph	66,00 PLN
oblique spine radiograph (lumbo-sacral)	66,00 PLN
left shoulder-blade radiograph	66,00 PLN
right shoulder-blade radiograph	66,00 PLN
left collarbone radiograph	66,00 PLN
right collarbone radiograph	66,00 PLN
sternum radiograph	66,00 PLN
rib radiograph (left side)	66,00 PLN
rib radiograph (right side)	66,00 PLN
left humerus radiograph	66,00 PLN
right humerus radiograph	66,00 PLN
left forearm bone radiograph	66,00 PLN
right forearm bone radiograph	66,00 PLN
left wrist bone radiograph	66,00 PLN
right wrist bone radiograph	66,00 PLN
left hand bone radiograph	66,00 PLN
right hand bone radiograph	66,00 PLN
left femur radiograph	66,00 PLN
right femur radiograph	66,00 PLN

RADIOLOGY LABORATORY

left shin radiograph	66,00 PLN
right shin radiograph	66,00 PLN
left foot bone radiograph	66,00 PLN
right foot bone radiograph	66,00 PLN
left shoulder joint radiograph	66,00 PLN
right shoulder joint radiograph	66,00 PLN
left elbow joint radiograph	66,00 PLN
right elbow joint radiograph	66,00 PLN
sacroiliac joints radiograph	66,00 PLN
left hip joint radiograph	66,00 PLN
right hip joint radiograph	66,00 PLN
radiograph of the knee joints (both)	66,00 PLN
left knee joint radiograph	66,00 PLN
right knee joint radiograph	66,00 PLN
left ankle joint radiograph	66,00 PLN
right ankle joint radiograph	66,00 PLN
pelvic bones radiograph	66,00 PLN
esophageal contrast examination	200,00 PLN
abdominal radiograph	66,00 PLN
colorectal infusion	890,00 PLN
upper gastrointestinal examination	280,00 PLN
small intestinal passage	610,00 PLN
examination of the post-operative anastomosis	330,00 PLN
fistulography	340,00 PLN
urography with non-ionic contrast	600,00 PLN
cholangography /T drain/	270,00 PLN
upper limb soft tissue radiograph	66,00 PLN
lower limb soft tissue radiograph	66,00 PLN
mammography/mammography + ultrasound	130,00 PLN
targeted mammography - one breast/ targeted mammography + ultrasound - one breast	130,00 PLN
mammography with contrast/ mammography with contrast + ultrasound	550,00 PLN
tomosynthesis/ tomosynthesis + ultrasound	210,00 PLN
tomosynthesis - one breast/tomosynthesis - one breast + ultrasound	130,00 PLN
ultrasound of the breasts without armpits	120,00 PLN
ultrasound of the breasts with armpits	120,00 PLN
ultrasound of scars after bilateral mastectomy + armpits	120,00 PLN
ultrasound of the armpits	120,00 PLN
complex neck ultrasound (salivary gland, nodes, thyroid)	150,00 PLN

RADIOLOGY LABORATORY

ultrasound of the thyroid	120,00 PLN
ultrasound of the neck lymph nodes	120,00 PLN
ultrasound of the salivary glands	120,00 PLN
ultrasound of lesions in the trunk (soft tissues)	120,00 PLN
ultrasound of the pleural cavity	120,00 PLN
ultrasound of abdominal organs	150,00 PLN
ultrasound of the organs of the pelvis minor	120,00 PLN
ultrasound of the abdominal and pelvic organs	120,00 PLN
ultrasound of limb lesions (soft tissues)	120,00 PLN
ultrasound of the testicles	120,00 PLN
ultrasound of the groin	120,00 PLN
transrectal ultrasound of the prostate gland	120,00 PLN
ultrasound of the deep veins	120,00 PLN
Doppler ultrasound of the carotid arteries	150,00 PLN
CT examination without contrast (1 anatomical area)	300,00 PLN
CT examination with contrast (1 anatomical area)	630,00 PLN
CT with angiography (1 anatomical area)	630,00 PLN
CT colonography	1 000,00 PLN
CT planning of radiotherapy without contrast	100,00 PLN
CT planning of radiotherapy with contrast	600,00 PLN
MRI - examination without contrast (1 anatomical area)	680,00 PLN
MRI - examination with contrast (1 anatomical area)	950,00 PLN
MRI - hepatotropic contrast examination	2 200,00 PLN
MRI with angiography (1 anatomical area)	700,00 PLN
MRI of the head with spectroscopy	950,00 PLN
MRI planning of stereotactic radiotherapy without contrast	150,00 PLN
MRI planning for IMRT radiotherapy without contrast	150,00 PLN
MRI planning of conformal radiotherapy without contrast	250,00 PLN
MRI planning of stereotactic radiotherapy with contrast	660,00 PLN
MRI planning for IMRT radiotherapy with contrast	670,00 PLN
MRI planning of conformal radiotherapy with contrast	660,00 PLN
thick-needle biopsy under CT guidance (collection of material)	385,00 PLN
fine-needle biopsy under CT guidance (collection of material)	200,00 PLN
consultation of the study provided: RTG	60,00 PLN
consultation of the study provided: MMR	75,00 PLN
consultation of the study provided: CT	230,00 PLN
consultation of the study provided: MRI	230,00 PLN
